

AIRBUS

Wire Avoidance Seminar

A free event that will benefit all operators in the L.A basin.

2019 was such a success we decided to do it again and this time it will be even better!

Southern California Edison Air Ops will again host a **Fly-In** event at our facility at Chino airport. Please join us and learn how to survive in the Wires Environment.

When: Saturday Dec 14, 2024 from 9 am to 2 pm.

Description: Join us as we discuss wire strike accidents and what you can do as a pilot to avoid them.

The event will be hosted at SCE Air Ops hangar at Chino airport.

There is limited space on the ramp so please register early if you plan to fly in.

We have plenty of parking available if you chose to drive.

FAA will provide Wings Credit

Please register with SCE Air Ops:
